Blue-Gray Eyes by Candlelight

A match struck. The candle lit. A room warmed to the light. Her blue-gray eyes came to life again. I have to admit I have always loved blue-gray eyes.

Soft, translucent, smokey blue-gray, a gentle color. Cut in cabochon, usually set in yellow gold. For whatever reason, this ring possesses mystic appeal. Women love it, I've never fully understood why, they just do.

BEACHCOMBER

There's a beachcomber in each of us. The child, the man, the woman, walking barefoot in the sand, watching the waves, scanning the leading edge of the advancing tide to discover what gifts have arrived for this morning's walk... shells, beachstones, driftwood, and some measure of peace. The treasures we are all searching for are the same.

Our Beachcomber pendant has a bright polished beachstone and a driftwoodesque lazy wrap in gold which surrounds. 14K yellow gold, 18" wheat chain.

Saturday in Maine

Ahh...the freedom of the weekend.
Sleeping in late. A lazy breakfast.
Then comfortable jeans, my favorite sweater,
And barefoot on the beach.

This is my Saturday ring, comfortable, casual. It's pretty, feminine, but not frilly. Practical low profile. I can wear it almost anywhere I choose to go. A beautiful cushion-cut quilt top center gem in the colors of summer and eight brilliant diamonds. -E.W.

Each of Cross' killick stone necklaces is one-of-a-kind made from choice blackest black Maine coast stone. Naturally polished by the sea, then hand polished to an absolute black patent-leather high luster. Our Killick stones are surrounded in 14K yellow gold. Average weight of each piece is 10-35 carats, gold and stone. Comes with an 18" wheat chain. Shown actual size. Each piece is a one-of-a-kind. Simple. Pure. Nature with minimal tinkering. It's really quite lovely.

RETRO ICE

*The pure cool white of diamonds melts
into the pure cool white of platinum;
melts into summer's warmth of yellow gold.
Little waves of gold gather,
swirling at the base of diamonds.
Diamond light streams from center to side.
Diamond light shimmers icy blue-white...
quite simply... a delight.*

Retro Ice is a refinement of a classic
Cross design from the 50's and 60's. Your grandmother probably had one.

Larger round center diamond, eight graduated small round diamonds.
Retro Ice is a combination wedding-engagement ring in a low-profile,
comfortable design. This combination simplifies life.
