What You Need Is A Little Road Trip

Portland and Cross are just a few hours away

If you love Maine, do visit Portland and Cross in our city by the sea. We celebrate Maine in the gems that are mined in our western mountains: pink, blue, and green tourmaline, and Maine amethyst too. We honor the sea with our *Atlantic Blue Sapphire Collection*, the best, brightest, and purest blues you've ever seen. And from the sea and our rockbound coast Cross' exclusive collection, *Jewelry Inspired by the Coast of Maine* is the perfect way to honor your love of Maine.

Portland is a magical city just two hours north of Boston... close to anywhere in New England. Come do lunch and after lunch we're here to welcome you at the end of your road trip.

BEACHCOMBER

There's a beachcomber in each of us: the child, the man, the woman... walking barefoot in the sand, watching the waves, scanning the leading edge of the advancing tide to discover what gifts have arrived for this morning's walk... shells, beachstones, driftwood, and some measure of peace.

The treasures we are all searching for are the same.

Baby Lobster Bracelet

Few have ever seen a baby lobster... Even some Mainers doubt the existence of perfectly formed miniature lobsters: one, two, and three inches long. As children we found them at full moon's lowest tides in shallow pools hiding beneath rocks in their kelp and seaweed nurseries. *Absolute Satisfaction Guaranteed*

FOR LOVE OF BLUE

Cobalt swept from an artist's palette,
 Ripples of color, pure blue, brilliant,
 A September sea and sky, cool and crisp,
 Blue eyes, blue jeans, blue velvet, soft and warm,
 Eternal color to calm and comfort.

We understand your love of blue. As jewelers we indulge our passion for blue in seeking the best of the best, blue sapphires. We spend weeks each year comparing, considering, to find the most perfect sapphires. Once chosen, we select high-white, precision-cut diamonds to complement. Our master jewelers then mount in platinum or gold.

The Sapphire Store for all who love the color blue.
